## Grand

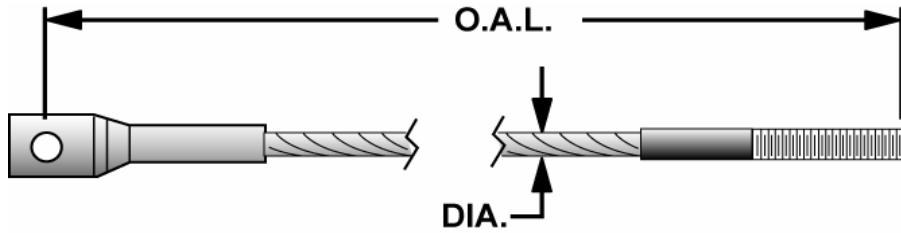

Due to the large number of custom-sized lifts made by this manufacturer, it is recommended that all cables be measured prior to ordering. Please fill out the lift cable sheet at the beginning of this section.

# ENGINEERED CHAIN

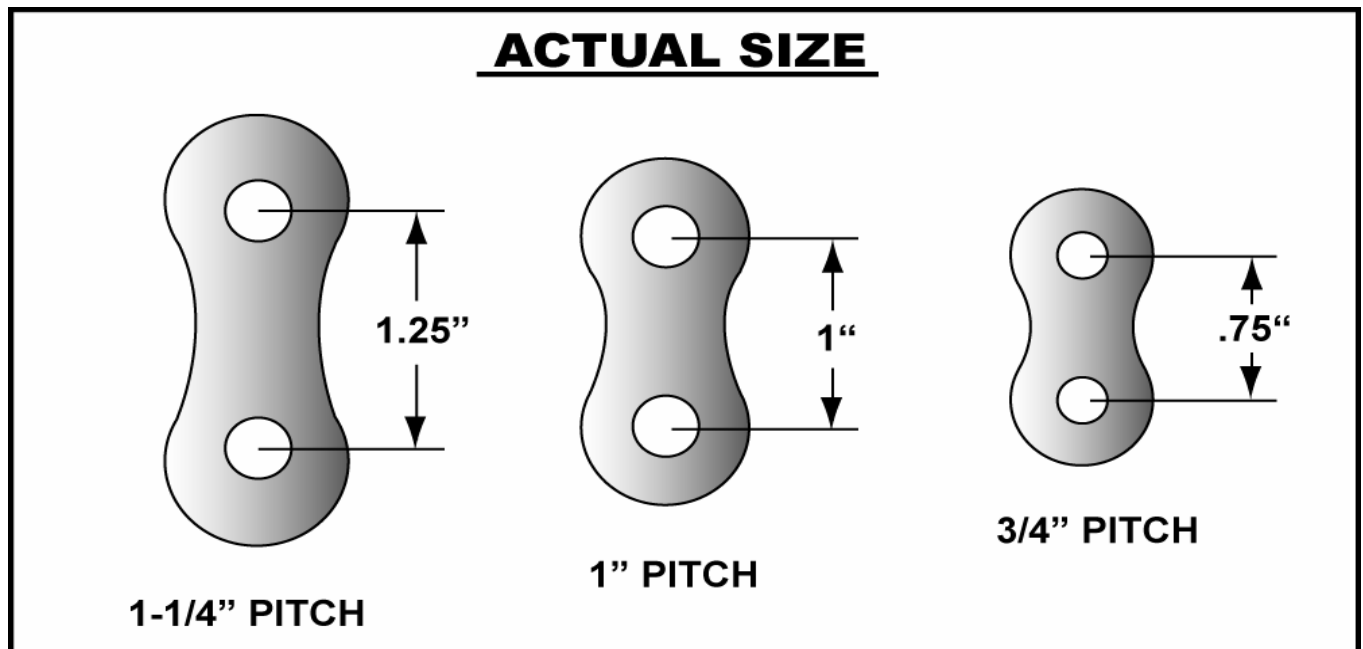

AllPart Supply uses the same high quality leaf and roller chain as the OEMs. We keep an extensive supply of engineered chain in stock for ready delivery. Engineered chain can be ordered in bulk or pre-cut to the exact size you need. Please order by pitch (one pitch is the distance between the pins) and specify male (Inner) or Female (outer) ends.
